

Meiyo Karate Club

Equal Opportunities Policy

At Meiyo Karate Club, we believe in being respectful of our differences.

We teach in a multicultural area with a rich diversity of ethnicity.

Discrimination is not tolerated at this dojo whether it be through gender, race, sexuality, age or disability.

There are some disabilities that we cannot cater for because of the nature of our training but we will endeavour to include you if possible.

Should you feel that you have been subjected to any form of discrimination, please contact an instructor in the first instance and discuss the matter with her/him. Should the issue not be resolved to your satisfaction, you should put a complaint in writing to the Management Committee of Meiyo Karate Club (keeping a copy for yourself) and hand it in to the Dojo.

We welcome people from all walks of life to come and train with us.
